

SPRING IS COMING!!!!!!!!!!So that means Jersey Fresh is coming too!
Dates are May 5-9, 2010!

If you have volunteered before, you know what I am talking about 😊 If you have not yet volunteered, this is an invitation to do so!

Jersey Fresh CCI**/CCI***/CIC*** is a major national eventing competition, a destination event for Olympic riders, as well as those striving to make International Teams. As a volunteer, you will be looking at some of the best horses and riders in the world of eventing.

This year our 3 Star Technical Delegate is Jonathan Clissold from Great Britain, with Robert Stevenson from Maryland as 2 Star Technical Delegate. Judges are Eric Smiley (Ireland), Susan Graham-White (Md), and Gretchen Butts (Md). Course Designer is again Award-Winning John Williams, and Course Builder Morgan Rowsell joins us again.

Volunteer jobs include:

Vet Inspection(Wed and Sun):set up, steward, area maintenance person

Dressage(Thurs. and Fri): warm up steward, bit check, test collector, scribe (need experience)

Cross Country(Sat): fence judge (need lots!), area steward, score collector (must be over 16 with a drivers license), crossing guards , vet box personnel

Show Jumping(Sun): gate person, warm up steward, ring crew, awards coordinator assistant

As well as these jobs during the competition, from April 26 through May 4, many, many jobs are being finished up, on cross country, painting, decorating cross country with flowers and shrubs (need lots of help here!), as well as a myriad of odd jobs that must get done before the competition begins. Contact me for more information!

Volunteers are fed each day of work, receive a T Shirt as well as some small “goodies”, are invited to the Competitors Dinner on Saturday night in the Pavilion, but mainly, you get a huge sense of accomplishment for being part of the success of such a significant competition 😊 We will also have a special Volunteer Raffle throughout the competition; winner will be announced Sunday, need not be present to win! So, next step is to contact me! I will then pass your name on to the Volunteer Coordinator for the phase in which you are working. And we go from there to a great competition that cannot happen without people like you!
