Additional Rules:

- Same Horse and Rider combination in at least two of the three Stone Tavern Schooling Trial Events. The horse and rider combination must compete at the same level for both Trials for consideration.
- Scoring is determined by adding the combination of both scores (or the two highest); the lowest combined score of each division wins. Ties in final combined penalty points will be broken by combined Dressage Collective Mark scores from both shows. If a tie remains, it will be broken by higher Free Walk scores. If Free Walk score is also tied, the tie will remain.
- Enter with the Show Secretary *before or at first the event on May 11<sup>th</sup> (or the first event of the two entered by the horse/rider combination)*. Entry is FREE to HPNJ Members and \$25 for non-members (due by check, cash or Venmo prior to event or to the Show Secretary at the first event). Late entries will not be considered.
